

Anchorage Fabric

iSky uses industry standard Guilford of Maine's Anchorage fabric on all Surface and Cloud Mount acoustical panels. Anchorage features a 100% Recycled Polyester which means that the color is constant, and the sky is cleaner.

Terratex classified fabrics are one of the major ways we support our commitment to sustainability. The broad range of fabric choices - made from 100% recycled or compostable materials - is also completely recyclable. iSky uses patent pending technology and design.

Style Code:	2335
Style:	Anchorage - 2335
Color Name:	Midnight
Color Number:	2025
Application:	Panels/Vertical Surfaces
Content:	100% Recycled Polyester
Width (inches):	66" useable
Product Construction:	Woven
Warp Ends:	44+/- 2
Fill Picks:	43+/- 2
Weight:	15.0 +/- 1.0 oz/linear yard
Terratex:	Yes
Pattern repeat:	None
Moisture regain (ASTM D 2654):	1.0% max
Cleaning code: W-S	Fabric may be cleaned with mild, water-free solvents or water-based cleaning agents or foam.
Flammability (ASTM E-84):	Class 1 or A

Style Code:	2335
Style:	Anchorage - 2335
Color Name:	Onyx
Color Number:	2016
Application:	Panels/Vertical Surfaces
Content:	100% Recycled Polyester
Width (inches):	66" useable
Product Construction:	Woven
Warp Ends:	44 +/- 2
Fill Picks:	43 +/- 2
Weight:	15.0 +/- 1.0 oz/linear yard
